## Department Education Program News

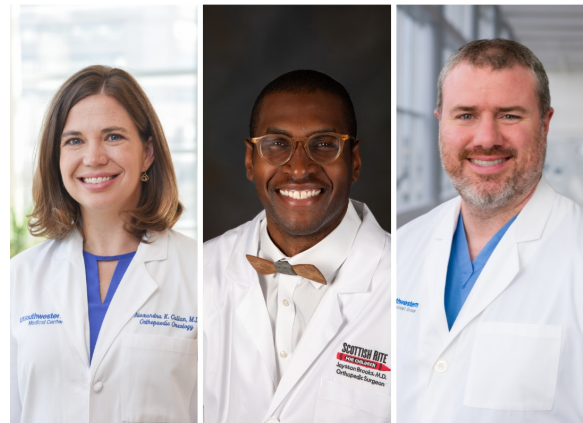

Dear Orthopaedic Surgery Residents and Faculty,

We would like to share an important update regarding our Residency Program Director and Associate Program Director search. After conducting an internal search this past fall, we have named a new Program Director and two Associate Program Directors.

Congratulations to UT Southwestern Orthopaedic Surgery Associate Professor, **Alexandra Callan, M.D.**, for being named the new **Program Director of the Orthopaedic Surgery Residency Program**. Additional congratulations to Associate Professor, **Jaysson Brooks, M.D.** from Scottish Rite for Children, and Assistant Professor, **Garen Collett, M.D.**, who were both named **Associate Program Directors of the Residency Program**.

In these roles, Dr. Callan will be overseeing the leadership, organization, and administration of our Orthopaedic Surgery educational programs with the guidance of Drs. Brooks and Collett. Their team will play a crucial part in continuing the legacy of excellence in our residency program and driving innovation in education throughout the department.

Please join us in congratulating Drs. Callan, Brooks, and Collett on their new roles in our Residency Program. We are looking forward to seeing their leadership and continuing the success of our medical education and department.
